

# moonday6

moonday6 bring powerful and original rock songs to the stage, inspired by the likes of AC/DC, Guns n Roses or the Foo Fighters. Their piano ballads even channel the emotional gravity of Savatage. The bands live show is captivating and bursting with positive energy. moonday6 have been on tour with Michael Schenker, Molly Hatchet, Voodoo Circle and hed PE in Germany and abroad. In the winter of 2025/2026 they were part of all the dates of The Rock n Roll Wrestling Bash and all in all rocked out in front of 15.000 people. High quality and high energy - every time and everywhere.
